I love it when pirates threaten to sue. It's equitable to drug dealers threatening to sue the police for disrupting their operations. 200 calls my ass.

Also.. Quincy... your information is public.

<http://whois.domaintools.com/fucktubetv.com>

Now.. with this little stunt, we're now forwarding every infringing video we find, in the future, directly to our client's attorneys.. over 60 at last count.

Have a nice day.
